INFORMATION TECHNOLOGY LOAN SCHEME

- The Association introduced the Information Technology Loan Scheme one year ago – **April 1, 2003**. Since its inception, over 100 members have benefited as they were afforded the opportunity to keep pace with the information technology age. Loans disbursed to-date total J\$....million.
- The main **criteria** for access to the IT loan is that the applicant should be a registered member for at least 3 years. Albeit, discretionary decisions have also been made.
- The IT loan can be **used** to purchase computer or computer-related equipment or accessories costing up to a maximum of **J\$50,000**.
